\*These offers are intended for new customers only. Fixtures can be selected from OLP's BB-02, BB-03, BB-07 and BB-08 product line. Prices do not include any line voltage electrical work such as installing GFCI outlets, etc., additional labor/material fees for excessive wire runs, and/or boring under driveways or extensive areas of hardscape. Additional fixtures and upgrades such as Lighting Control Automation™ can be added to these specials at the regular price.
